

## **CULTURAL SUSTAINABILITY POLICY**

Presentation of cultural heritage:

Our Hotel pays respect to intellectual property rights of local people. Authentic elements of traditional and modern local culture are used in our kitchen, design and decoration.

Artifacts: Our Hotel does not purchase and sell, intermediate for the trading of and exhibit historical and archeological artifacts. Promotion of sustainable local gastronomy: Our Hotel gives priority to the promotion and consumption of local products. It will apply innovative and creative practices in all of its operations in order to ensure sustainability in the gastronomy.
